From Father Tom's Desk

As Forgiving As Children

Many people today struggle with forgiveness, and yet we cannot become the people Jesus intends us to become until we are able to forgive the wrongs of others and seek reconciliation.

The goal, then, is for us to love other people in the same way that God loves us. Leo Buscaglia writes of observing two children having an argument. The children were quarreling over some insignificant things. "You're stupid!" one said to the other. "Well, so are you!" the other replied. "Not as stupid as you!" the first one said. "Oh, yeah?" the other one said. "That's what you think."

When Buscaglia passed by the playground not more than ten minutes later, these two children were playing together again, having forgotten the whole thing. "No brooding, no wounded egos, no blame, no dredging up the past, no recriminations," Buscaglia writes. There it was, a brief and honest exchange of angry feelings, an even briefer cooling off period, and all was forgiven. "Children are certainly much more forgiving than adults," Buscaglia concludes. "Somewhere in the process of growing up we seem to have become experts at holding grudges, cradling fragile egos and unforgiving natures."

Leo F. Buscaglia, Born for Love (New York: Slack, Inc., 1992), p. 202.

The Effects of Insults

Obviously, murder is not the only outcome of anger. Other harm can be done as well. Angry words can wound with insult. Have you ever been hurt...REALLY hurt...by what someone said to you? It has happened to most of us.

Let me tell you about an elderly lady, a shy and sensitive lady who lived to be just three weeks shy of her 100th birthday. When she was a young girl, about ten years old or so, somebody told her that she had a terrible singing voice. Now, most of us, I guess, would not let that remark bother us particularly, but it DID bother this lady. Ten years old is a tender age. It bothered her so much that, for the remaining 90 years of her life, she never sang another note. No one had any idea whether she had a good voice or a bad voice; she would never take the chance of letting anyone find out, and all because of one person's careless and unfeeling insult.

David E. Leininger, Make it Right!

Anonymous

Anger is an acid which can do more damage to the vessel that holds it than to anything on which it's thrown.
