LENTEN FISH FRIES

Our Lenten Immaculate Conception Fish Fries are back for the 2022 Lenten Season! Each Friday of Lent, there will be delicious fish dinners available for dine-in or carry out in Monsignor Orf Community Room (CRA). There will be fried fish, French fries, in addition to many lovely sides (varies each week). Each event benefits a different parish organization or cause:

March 11th Saint Vincent de Paul
March 18th K of C for Church Organ Repairs
March 25th PCCW
April 1st Immaculate Conception School
April 8th Youth Group

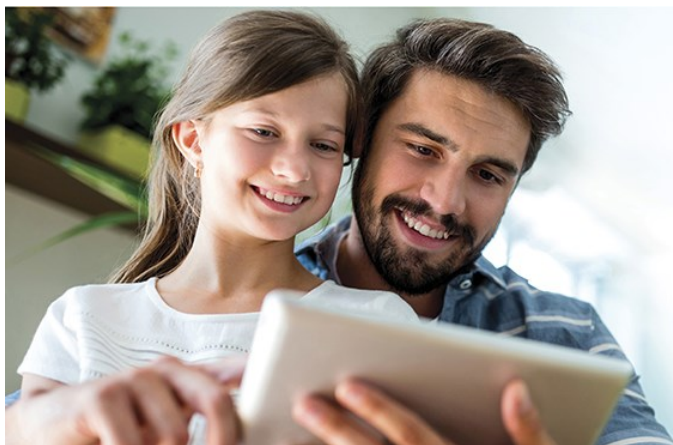

Pre-order will be available via Flocknote, as happened last year. **We hope to see you there!**

LENTEN ABSTIENENCE AND FASTING

Lent is an important time for our spiritual growth as we seek to remind ourselves of Christ's sacrifice for us, and how we must remove obstacles from our lives that prevent our spiritual growth. As a reminder to help with this growth, Fridays during Lent are obligatory **days of abstinence** (meatless) for all Catholics 14 years old and up. In addition, Ash Wednesday and Good Friday are **days of fasting** for Catholics 18-59 (food for the day is limited to one large meal, and two smaller ones).

SCOUTING FOR FOOD

It's Scouting for Food time! The Cub Scouts of I.C. Pack 210 are distributing paper bags after all masses March 19th and 20th. To help, take a bag home, fill it with food, personal hygiene items, diapers, or other donations for I.C. St. Vincent de Paul. Then bring your bag back to any mass the following weekend, March 26th and 27th, and hand it to an I.C. Troop 210 Scout outside the church. In the past, I.C. Scouts have collected more than 1,600 items from parishioners during Scouting for Food weekend. Help us fill the food pantry again this year!

The best Catholic content. All in one place.

IMMACULATE CONCEPTION ORGAN RENOVATION PROJECT

ORGAN RENOVATION & REPAIR PROJECT

Here at Immaculate Conception, we are blessed with a beautiful tradition of exemplary music, whether it is in our choirs, our music ministers, or even the students of our school. One of the most vital tools that enable this ministry to happen is the beautiful Schantz pipe organ, which is prominent in the design of our sanctuary. This prestigious instrument has been serving our parish very well for decades.

As is the nature of this instrument, with the course of time, this utilization during the past forty years

has left many parts of it struggling to hold up to the demands that need to be met, largely within the control console itself. Many integral parts that need to be reliable for the ease of use for the instrument have started to fail, and as a result need to be replaced. In addition, this console, which is essentially a forty year old computer, needs to be updated, to ensure more reliable and flexible operation for our music ministry for many decades more into the future.

Extensive research has been done by both our Director of Sacred Music, Mr. John Barnes and Fr. Belken (who is an organist himself). They both have a great deal of experience in pipe organs, which has helped them in selecting an appropriate route to take with our instrument. Therefore, in taking their recommendations, and after consulting with our parish pastoral council and parish finance council, and with Bishop Edward M. Rice's approval, we are pursuing the necessary steps to renew and renovate our current organ. **Please note, this is not a replacement of our current pipe organ.** Though many things may look new, including the console (the organist's controller for the organ), the pipes and appearance of the organ will remain the same and in use. The inner components and linkage of the organ are what will change. In addition, to add to the current patrimony of the instrument that is here, this renovation will add some resources and sounds that have largely been missing from our organ, including a variety of digital "stops" (or sounds), which even includes digital chimes! It will also implement usability upgrades that will assist in ensuring our organ is easily playable by organists of any skill level, or will even aid young organists who may be learning to play.

The question that likely arises from this is: can we help with this project? The answer: absolutely! We are seeking your help as a parish family to contribute to the success of this project by praying for its success, but also contributing to it financially, if you feel called to do so. This is not simply one project amongst many, but one that will contribute greatly to our worship as a parish family, now, and in generations to come. To contribute, please contact the parish office, or you may write "Organ Renovation" on the memo line of a check. No amount is too small to help with this great cause.

Thank you, as always, for your support!

God Bless You, and Remain Blessed,

Fr. Sholby
