PARISH COUNCIL ELECTION

Elections will be held at the end of May for the Immaculate Conception Parish Pastoral Council. If you are interested in serving on our council, please contact Heather at the Parish office 417-887-0600 or hhayes@ic-parish.org.

2024 DDF

The annual Diocesan Development Fund appeal will be held on May 4/5. This effort is conducted in every parish of the diocese to help finance the activities and ministries of the Catholic Church in southern Missouri. Our parish goal is \$209,736. We ask you to keep the DDF campaign in your prayers.

FEASIBILITY STUDY

Over the past several months, discussions have been under way regarding the possibility of a new Parish Hall. The building committee and I have met with an architectural consultant on the potential building design for this significant proposal. The discussions generated several ideas and revisions to meet the needs of our parish community. The planning process has produced an exciting opportunity that I believe will strengthen parish life and programming.

After consultation with our Parish and Finance Councils we have decided to move forward with the next step in the process. We will initiate a feasibility study early this summer, as a pathway of examining the Parish Hall project and financial target. The study will also capture input and opinions of parishioners to determine support for building a new Parish Hall.

A feasibility study is important to a project and capital campaign to determine if the endeavor is possible and will be successful. In addition, the study will provide us with important data in determining how to move forward. After the evaluation of the feasibility study, we will review our findings and provide an update of the results to the parishioners of Immaculate Conception.

Yours in Christ,

PCCW MEETING
