PARISH ROSARY ON SUNDAYS AT 8:30AM

FEASIBILITY STUDY

Over the past several months, discussions have been under way regarding the possibility of a new Parish Hall. The building committee and I have met with an architectural consultant on the potential building design for this significant proposal. The discussions generated several ideas and revisions to meet the needs of our parish community. The planning process has produced an exciting opportunity that I believe will strengthen parish life and programming.

After consultation with our Parish and Finance Councils we have decided to move forward with the next step in the process. We will initiate a feasibility study early this summer, as a pathway of examining the Parish Hall project and financial target. The study will also capture input and opinions of parishioners to determine support for building a new Parish Hall.

A feasibility study is important to a project and capital campaign to determine if the endeavor is possible and will be successful. In addition, the study will provide us with important data in determining how to move forward. After the evaluation of the feasibility study, we will review our findings and provide an update of the results to the parishioners of Immaculate Conception.

Yours in Christ,

NEW PARISHIONERS AT IC

We wish to welcome our newest families!

ROD IVAN & LARYN CLAVEL FAMILY

ANNA LORENA DE SA

May God bless you abundantly!

THANK YOU!

A big thanks for the donations from our Lenten fish fries. A check was presented to the church in the amount of \$4,200 for church maintenance and repairs. This was made possible by the support of the Knights of Columbus, Immaculate Conception School, St. Vincent de Paul, Parish Council of Catholic Women, and the Immaculate Conception Church Youth Group in preparing the food at our fish fries. Thank you!

CATHOLIC HOME MISSIONS APPEAL

Next week we will take up the Catholic Home Missions Appeal. Today, nearly 40% of dioceses in the United States and its territories are unable to fund the essential pastoral work their communities need. Your support of this appeal helps them meet these faith formation and sacramental needs. Please prayerfully consider how you can support this appeal. More information can be found at www.usccb.org/home-missions.

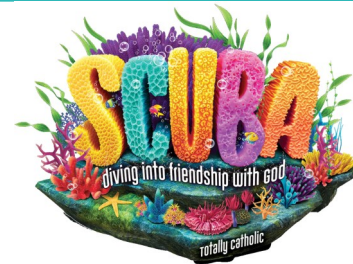

2024 DDF

The annual Diocesan Development Fund appeal will be held on May 4/5. This effort is conducted in every parish of the diocese to help finance the activities and ministries of the Catholic Church in southern Missouri. Our parish goal is \$209,736. We ask you to keep the DDF campaign in your prayers.

Faith, Film and Fellowship will host an enlightening and entertaining 'Bother the Father' night this Wednesday evening April 24 immediately after 6:30pm Mass. Questions accumulated throughout the year about our priests, faith, church, or the recently concluded series "The Rescue Project" will be answered by our priests. Pizza and salad will be served. If you are planning to attend, please RSVP by email to bbsummit@aim.com or text to 417-833-7913 so we can properly plan for food.

A very successful year of Faith, Film, and Fellowship will conclude on May 22 and resume in September. To all who contributed to and participated in our initial year, THANK YOU!

WORLD DAY OF PRAYER FOR VOCATIONS APRIL 21, 2024

TODAY the Church throughout the world prays for vocations. Will you make a special effort to ask the Lord for vocations to the priesthood and religious life? Pray for the priests who have ministered to you throughout your life, both the living and the dead. Encourage your children, grandchildren, or other young people to consider a vocation as a priest or religious brother or sister. Pray a rosary for more young men and women in our diocese to respond to God's call.

**Don't sign your rights and freedom away
by signing an abortion initiative petition
that would alter Missouri's Constitution!**

Don't let lobbying groups and out-of-state special interests inject abortion politics where it doesn't belong and where it isn't wanted.

This petition goes too far for Missouri!

This extreme initiative petition could:

- Legalize abortion as a method of birth control and abortion after a baby can survive outside the womb.
- Allow abortion clinics in your neighborhood – even near schools and churches.
- Give power to judges and **the government to force Missouri taxpayers to fund abortions.**
- Permit governmental intrusion in health care decisions made by parents with their children.

Don't be fooled! Signature collectors might tell you that it's for "women's health" or "reproductive rights" or "to restore Roe" —or that it's "pro-life" or "pro-choice" —or say *anything* to get you to sign. **Don't believe them!**

DECLINE TO SIGN any petition that lets lobbying groups and the government take away your rights and freedom! Tell family, friends, neighbors, coworkers and everybody to **DECLINE TO SIGN.**
