2024 DDF

The annual Diocesan Development Fund appeal will be held on May 4/5. This effort is conducted in every parish of the diocese to help finance the activities and ministries of the Catholic Church in southern Missouri. Our parish goal is \$209,736. We ask you to keep the DDF campaign in your prayers.

FEASIBILITY STUDY

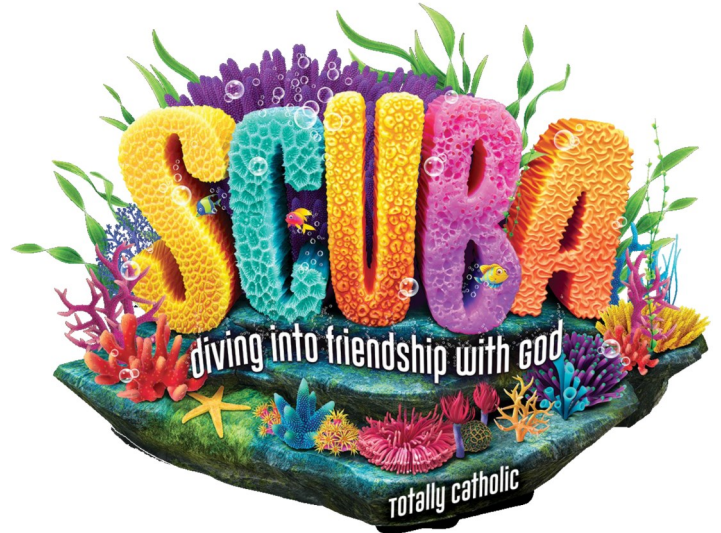

Over the past several months, discussions have been under way regarding the possibility of a new Parish Hall. The building committee and I have met with an architectural consultant on the potential building design for this significant proposal. The discussions generated several ideas and revisions to meet the needs of our parish community. The planning process has produced an exciting opportunity that I believe will strengthen parish life and programming.

After consultation with our Parish and Finance Councils we have decided to move forward with the next step in the process. We will initiate a feasibility study early this summer, as a pathway of examining the Parish Hall project and financial target. The study will also capture input and opinions of parishioners to determine support for building a new Parish Hall.

A feasibility study is important to a project and capital campaign to determine if the endeavor is possible and will be successful. In addition, the study will provide us with important data in determining how to move forward. After the evaluation of the feasibility study, we will review our findings and provide an update of the results to the parishioners of Immaculate Conception.

Yours in Christ,

Thank you to those from
the ministry of PCCW who helped at our
March Donut Weekend last weekend!

WORLD DAY OF PRAYER FOR VOCATIONS APRIL 21, 2024

NEXT Sunday the Church throughout the world prays for vocations. Will you make a special effort to ask the Lord for vocations to the priesthood and religious life? Pray for the priests who have ministered to you throughout your life, both the living and the dead. Encourage your children, grandchildren, or other young people to consider a vocation as a priest or religious brother or sister. Pray a rosary for more young men and women in our diocese to respond to God's call.

Statement of the Missouri Catholic Conference on the Abortion Initiative Petition

The Catholic Church supports and defends society's most vulnerable, especially women and children, through accompaniment, social services, and material assistance.

A misleading proposed amendment to the Missouri Constitution suggests that a "right to an abortion" is needed to protect women, while the amendment could actually put women at risk and endanger preborn children. This ballot initiative would legalize abortions in this state and remove long standing health and safety standards for women. In addition, this initiative does nothing to reduce or eliminate the underlying social causes for abortion and does not further a true culture of life in the state.

Groups are currently collecting citizen signatures to add the amendment to the November 2024 ballot. **We encourage all Catholics and people of good will to not sign any petition that would put this amendment on the ballot.**

The Catholic Church in Missouri will continue to provide spiritual and material support to expectant mothers and their families through our parishes and ministries, and to advocate on their behalf and on behalf of their preborn children. For those women suffering from the pain of an abortion, the Church will continue to offer true healing and hope through its Post Abortive Healing Ministries. We ask all to help us in these efforts to safeguard the right to life.

We look forward to the day when every child, born and unborn, has the love and support needed to thrive and reach his or her full potential. Let us pray for a greater recognition of the gift of each and every human life in our society.

Don't sign your rights and freedom away by signing an abortion initiative petition that would alter Missouri's Constitution!

Don't let lobbying groups and out-of-state special interests inject abortion politics where it doesn't belong and where it isn't wanted.

This petition goes too far for Missouri!

This extreme initiative petition could:

- Legalize abortion as a method of birth control and abortion after a baby can survive outside the womb.
- Allow abortion clinics in your neighborhood – even near schools and churches.
- Give power to judges and **the government to force Missouri taxpayers to fund abortions.**
- Permit governmental intrusion in health care decisions made by parents with their children.

Don't be fooled! Signature collectors might tell you that it's for "women's health" or "reproductive rights" or "to restore Roe"—or that it's "pro-life" or "pro-choice"—or say *anything* to get you to sign. **Don't believe them!**

DECLINE TO SIGN any petition that lets lobbying groups and the government take away your rights and freedom! Tell family, friends, neighbors, coworkers and everybody to **DECLINE TO SIGN.**

The future of Missouri is counting on you!
