X FALSE

They claim their amendment to enshrine a "right" to abortion in our Missouri Constitution is needed because they say ectopic and miscarriage procedures are illegal and women will die.

X FALSE

They claim their amendment to enshrine a "right" to abortion in our Missouri Constitution will not allow late-term or partial-birth abortions to occur.

X FALSE

They claim their amendment to enshrine a "right" to abortion in our Missouri Constitution will protect women.

X FALSE

They claim their amendment to enshrine a "right" to abortion in our Missouri Constitution will not take away parental rights.

KNOW THE TRUTH!

**Pro-abortion

gatherers are
seeking to
enshrine a "right"
to abortion
in Missouri's
Constitution
all 9 months of
pregnancy.**

✓ TRUTH

Missouri law already has a "life of the mother" exception (RSMo 188.030). Ectopic & miscarriage procedures are not considered abortion under Missouri law as there is not a "viable unborn child."

✓ TRUTH

If a "right" to abortion is enshrined in our Missouri Constitution allowing abortion for physical or mental "health" reasons, abortion can occur from conception until live birth.

✓ TRUTH

If the amendment passes, women will be denied the right to sue the abortionist for malpractice.

✓ TRUTH

If a "right" to abortion is enshrined in our Missouri Constitution, it would allow abortions to be performed on pregnant minors without notice to or consent from the minor's parents.
