## SAINT BLAISE: FROM DOCTOR TO SAINT

*"Suffering and illness have always been among the greatest problems that trouble the human spirit. Christians feel and experience pain as do all other people; yet their faith helps them to grasp more deeply the mystery of suffering and to bear their pain with greater courage. . . . Part of the plan laid out by God's providence is that we should fight strenuously against all*

*sickness and carefully seek the blessings of good health, so that we may fulfill our role in human society and in the Church".*

*Saint Blaise was the bishop of Sebaste in Armenia during the fourth century. Very little is known about his life. According to various accounts he was a physician before becoming a bishop. His cult spread throughout the entire Church in the Middle Ages because he was reputed to have miraculously cured a little boy who nearly died because of a fishbone in his throat. From the eighth century he has been invoked on behalf of the sick, especially those afflicted with illnesses of the throat.*

*Let us now pray for those who are sick and suffering, for those who care for the sick, and for all who seek the blessings of good health.*

## From Father Tom's Desk

### Simon Finds Peace

A pastor asked an elderly woman, lying on her deathbed, "Have you made your peace with God?"

"No, and I don't intend to," said the woman.

"What do you mean?" said the pastor.

"Listen," she replied. "I know I am dying, yet I have no fear of meeting God. I am now resting in the peace which Jesus Christ made in his atoning death upon the cross, and I don't have to make my peace with God for I am now resting in the peace which Jesus Christ has already made."

### So Much More Than Anticipated

Have you ever looked forward to something and when it happened, it was so much more than you anticipated? Maybe this was your experience at the time of your marriage or the birth of your first child. This was somewhat like the experience of David Livingstone, the explorer and missionary to central Africa in the mid-1800s. In his journal he tells about his discovery of the great falls, which he named the Victoria Falls, and what that experience meant to him. He had heard from the natives that there was something up the river, but he was not sure what it was. He could hear the roar of the falls for miles and he could see the spray five miles away. He said he could never explain the splendor that fell upon his soul when he looked on the falls for the first time. Suddenly, right before his eyes, the Zambezi River was a mile wide; it sloped slightly and then cascaded in a 400-foot plunge in a display of awesome splendor. He said for several minutes the sight literally paralyzed him. He knew that something was ahead but his discovery was far beyond his wildest imagination.

This is exactly what happened to Simeon in the text. He knew the Messiah was coming and he waited and prayed for the day to arrive. He was told by the Holy Spirit that he would not see death until he would see the Lord's Messiah. Every time parents brought their children to the Temple he was filled with anticipation that possibly one of them was the child he was waiting for. Then Mary and Joseph arrived at the Temple and Simeon, now an old man, took the child up into his arms and praised God saying:

Master, now you are dismissing your servant in peace, according to your word; for my eyes have seen your salvation, which you have prepared for all peoples.

The scene is a moving one: an old man now ready to die holding a six-week-old baby, who is at long last "the salvation for all people.

**WEDNESDAY MASS IN THE  
CHAPEL—6:30PM**

*You are Invited!*

**GLUTEN FREE HOSTS AVAILABLE**  
Please notify us before Mass if you would  
like to receive a Gluten Free Host.

## 10 GOOD REASONS TO GO TO SUNDAY MASS

1. **God asks us to make one day holy.** God asks us to set aside one day per week to refocus physically, mentally, and spiritually. We live in a secular world. Going to Sunday Mass helps us to see everything from a different perspective. We begin to see in the depths of our being that God is in charge.

2. **Jesus gives us the gift of Himself.** When we go to Sunday Mass, we are doing what Jesus commanded His followers to do. It is a command of love, to love God and others and to be loved by God. Jesus is present and comes to us in the Word of God we hear proclaimed and in His Real Presence, in the Blessed Sacrament.

3. **We need to be part of a community.** When we come together at Sunday Mass to pray and worship God, we satisfy a deep need, human and spiritual, to be in communion with other people. The other parishioners — even if we don't know all of them — give us support, affirmation, and encouragement in our attempt to live the Gospel message. They help us to see that we are not alone in living our Catholic Faith.

4. **God has a special message for us.** When we listen to the readings, the homily, and the prayers of the Mass, God speaks to us in a special way. We should come away from each Sunday Mass with at least one new thought or inspiration that will have a positive impact in our lives.

5. **We need to talk to God.** When we go to Mass, we speak to God through our singing, our communal responses and prayers, and our personal prayers from the depths of our hearts. During Mass we have the opportunity to ask God for what we need, to promise God we will do what He wants us to do, and thank God for the many blessings He has bestowed on us.

6. **People need our prayers.** We can pray for other people anytime, but when we pray for others during Mass, we pray in a special way. It doesn't matter if the other people are separated from us by distance or by death.

7. **We need to stand up for what we believe.** Being a follower of Jesus is counter-cultural. At every Mass, we have the opportunity to stand up and proclaim what we believe publicly. We admit that we believe in one God, Father, Son, and Holy Spirit, and in the teaching of the Catholic Church.

8. **We need to acknowledge that we make mistakes.** At every Mass, we have the opportunity to review the past week. We admit that we have sinned in thought, in word, in deed, in what we have done and what we have failed to do. With God's help, we resolve to change our lives.

9. **We need ritual in our lives.** Mass is offered as a Sacred Ritual. This means that through the familiar prayers, and movements, through the Divine Miracle of Transubstantiation, changing bread and wine into the Body and Blood of Jesus, we are formed, disciplined, and consoled. The "sameness" of the Mass supports and nourishes our spiritual journey every week.

10. **We need to experience something bigger than ourselves.** When we go to Mass, we share in the Suffering, Death and Resurrection of Jesus. When we offer our ordinary lives to God through Jesus, we enter into God's great plan for the world's salvation.
